

# ABDUL HADI

Junior Web Developer (React.js | Laravel | WordPress | PHP)  
ahaadi1001@gmail.com • <https://haadi-s-portfolio.vercel.app/> • Karachi Division

## Summary

I'm an enthusiastic Frontend Developer and Computer Science student with hands-on experience building engaging web applications for Sindh Police. Skilled in React.js, Laravel, WordPress, and PHP, I focus on creating intuitive and responsive digital experiences. Passionate about continuous learning, I'm eager to expand my expertise into backend development using Node.js and Express.js, aiming to become a well-rounded full-stack developer.

## Experience

### SINDH POLICE

Karachi, Pakistan

#### FRONTEND DEVELOPER (INTERN) (8 Weeks)

02/2025 - 04/2025

A government law enforcement agency ensuring public safety and security in Sindh, Pakistan.

- Designed and developed **internal web apps** for improved data management and collaboration.
- Built **MILAP**, an internal platform using **React.js & Tailwind CSS** for Sindh Police.
- Created **responsive UI components** with React.js for a seamless user experience.
- Designed the **Sindh Police Kirayedar Form** using **HTML, CSS, JavaScript, and Bootstrap** for tenant registration.
- Developed an **E-Verification website** to digitize verification processes.
- Built personal React.js projects like a **food website, portfolio, and Earth Orbit site**.

### Self-employed

#### Freelance WordPress & Digital Marketing

Providing **custom WordPress development** and **digital marketing** solutions for businesses and Amazon affiliates

- Created and managed WordPress websites for clients, including custom themes and plugins.
- Optimized websites for SEO, speed, and mobile responsiveness.
- Managed social media marketing campaigns, content creation, and digital promotions.
